

DETERMINED TO DIE.

A Man Asks to be Killed, and Being Refused, tries to Kill Himself.

Yesterday morning Hans Wagt was in the lockup as a plain drunk. He lives about a mile beyond Clinton, in this county. He wanted the lockup keeper to give him a rope to hang himself with, or a weapon with which he could take his life, and being refused, asked an officer to shoot him. He was refused this little boon, too, and a little later his son and son-in-law called and took him to the home of one of them in the city.

There he was thought to be safe, but about noon, as Lieutenant Gaus was coming over the new bridge from the island, he saw Wagt on the bridge preparing to spring over. Gaus re-arranged him and turned him over to his relatives, but he still declared his intention to take his life.

THE BENWOOD ELECTION

A CORRECTION.

Way Ohio County should have Free Mail Delivery in the County.

To the Editor of the Intelligencer.

Sir:—In looking over the proceedings of the Ohio County Alliance at Elm Grove, I notice quite an error in regard to macadamizing of roads, which occurred in copying, that I beg leave to correct. This was not a resolution or demand, as might be inferred from the reading of the article, but instead should be construed as the claims of Ohio County, which has three main lines of macadamized road running across the county and most of their feeders partially macadamized, making in all 84 miles of macadamized road, which we respectfully refer to our representative in Congress and the postmaster-general. These claims we present as supporting the free delivery of mail in the rural districts of Ohio county, which has a population of 55,000, confined to an area of about 100 square miles.

West Liberty, April 5

Belmont County "In It."

Belmont county is faring well under Governor McKinley. The following appointments have already been made:

C. L. Poorman, of Bellaire, secretary of state.

W. T. Lewis, of Martin's Ferry, labor commissioner.

Julius Armstrong, of Armstrong Mills, transcribing clerk in adjutant general's office.

Lander Bevan, of Hendrysburg, porter of house of representatives.

Walter Cowen, of St. Clairsville, second assistant sergeant at arms of senate.

William Kidd, of St. Clairsville, page in senate.

Ed Hobson, of Flushing, assistant clerk in senate.

Morrison's "Faust."

The New York Tribune says of Lewis Morrison's "Faust," to be seen at the Opera House to-morrow night:

The largest audience that has been seen at the Broadway theatre was present last night to witness the dramatic production of Goethe's "Faust" by Lewis Morrison and company.

The performance was complete in every essential. Mr. Morrison has played the part of Mephisto so often that he, according to his measure and the adapter's conception, has brought out every little byplay and detail possible in the character. Above all, Mr. Morrison is an excellent elocutionist, every word is pronounced distinctly, and there is no slurring. He gives to the character of the "devil" a grim humor, and makes him often the most pleasant individual in the play. Every part in the cast is well played.

What Next?

Theatre goers have had railroads, fire engines, live horses, tanks, races and so forth in stage productions. Now Aaron H. Woodhull puts a steam boiler explosion in "Uncle Hiram." The effect is immense and is packing the theatres everywhere.

The New York harbor, with the Brooklyn bridge and Bartholdi statue, is also another fine scene. Mr. Woodhull also has two other wonderful effects under consideration. Two "Uncle Hiram" companies will be put on the road next season, while a third will play England. This great comedy drama will be at the Grand to-morrow evening.

"The Two Jacks" Make a Hit.

The Grand was well filled last night to see the funny comedy, "A Pair of Jacks." The comedy made a hit from the start, and every member of the company was received with rounds of applause. This afternoon there will be a grand matinee for ladies and children, and no doubt there will be a large audience. This evening will be the last appearance of the comedy here, and no one should fail to see it.

All Sorts of Local News and Gossip from the Glass City.

The official count of the vote in this city re-elected Mayor McGowan by a plurality of 60 and gave D. W. Cooper 748 votes and C. C. Kelly 253. For Marshal Charles Johnson has 355 plurality and 21 over all other contestants. Frank Williams is re-elected City Treasurer by 345 over P. O. Criswell, who was never before beaten. George M. Woodbridge has 172 over J. B. Smith for City Solicitor, and Cornelius Curran has 42 over James Wilkinson for Street Commissioner, while Mord. Nelson beat George Jennings 49 for Water Works Trustee. For members City Board of Education John D. VanLaw had 91 and E. J. Stegar 139 plurality. For Township Trustee George Korn beat Fred Eberle four votes in a total vote of 2,325. Will J. Kirkpatrick was re-elected Clerk by 391 and James Richardson Constable by 100. In addition to the councilmen and assessors given yesterday the fifth ward elected two Democratic Councilmen, R. S. Lowe and J. H. Campbell, and a Democratic Assessor, Isaac Myers. Many Republicans remained at home, 89 in one ward, and none of the contests were made on political lines. Mayor McGowan will be handicapped somewhat in his administration, as the man elected marshal was one of the policemen he suspended when Morton, the crook, escaped, but suspended action afterwards because of Democratic pressure; but the Marshal may assert himself now and agreeably surprise his critics and disappoint some of his most ardent supporters. The new Council will organize next week. There are only two Republican Councilmen now, but politics has never yet cut any figure in that body.

There was a great row in "Irish alley" yesterday evening. A woman named Casey threw a pan of water out of a window and some colored folks sitting outside were splashed, and so enraged that a colored man picked up a club and running up to the door of the Casey hut struck Anthony Casey over the head, knocking him senseless. He made his escape before an officer arrived. The row created a wonderful lot of excitement, and Casey was reported dead, but he will recover all right.

The new brick building for the school is completed and school will open May 3, 1892, at which time it is believed that fifty students will be enrolled. The school building is located on a beautiful tract of thirty acres, purchased for that purpose and the surroundings are said to be delightful.

Colonels White and Darrah, of Wheeling, were here yesterday. Being on legal business, Colonel White may be said to have been attending to other people's business, but presumably Colonel Darrah was attending strictly to his own business, with a hankering to get a chance to look after the people's business later.

Abram Bryson was taken suddenly and seriously ill yesterday. For a time it was thought that the attack would prove fatal, but Dr. R. W. Hall was summoned and succeeded in bringing him around all right. He was much better last evening.

DANGER AHEAD!

A Sea Escape with a Shore Moral.

A steamship was lately saved from disaster by the alertness of the lookout and the quick action to remedy the evil in time.

So it is with disease. The little symptoms indicate danger ahead. Clerks find themselves thin, pale, and losing their former strength and steady nerve. Mechanics lose time from their work, suffer from malaria, kidney or liver disease, stomach or nerve trouble. Business men wake tired, languid after sleepless nights, with dull head, unsteady nerves, brain and nervous system in weak and irritable condition. Women are weak, tired and dragged out, with shattered nerves and exhausted vitality. All of us suffer more or less from the weakness and prostration of Spring Debility. The Grip-also, has left in its train more nervous weakness and physical prostration than any other known epidemic. There is danger ahead!

All these cases are curable if taken in time. Use Dr. Greene's Nervura, the great nerve, stomach and blood remedy, and restore your health and avert danger. It has saved the lives of more sufferers than any other remedy, and will save your health and life if you use it now. It is the best of all spring medicines, and should be taken now if you are at all weak, tired, run down or nervous, or have never regained your health and strength after having the Grip. Purely vegetable and harmless. Druggists sell it.

"My wife was cured of nervousness and liver and kidney troubles by Dr. Greene's Nervura. She was under the care of four doctors before she got Dr. Greene's Nervura and she experienced more benefit from one bottle than from all the doctors together."

LOUIS CLARKER.
